Every Rose Has Its Thorn - Poison

Strumming Pattern: D, DDU, DDUDU

Chords Used:

Intro: G, Cadd9

Verse 1:

G                              Cadd9
We both lie silently still, in the dead of the night.
G                                Cadd9
Although we both lie close together, we feel miles apart inside.
G                   Cadd9
Was it something I said, or something I did,
G                Cadd9
did my words not come out right?
D                              C
Though I tried not to hurt you, though I tried, but I guess that's why
they say that

CHORUS

G                   Cadd9
Every rose has its thorn.
G                  Cadd9
Just like every night has its dawn.
G      D             C
Just like every cowboy sings a sad, sad song.
G                   C
Every rose has its thorn.
Verse 2:
G                                       Cadd9
Listen to our favorite song, playing on the radio.
       G                   Cadd9
Well the DJ says loves a game of easy come and easy go.
       G               Cadd9   G               Cadd9
But I wonder, does he know, has he ever felt like this.
       D                  C
Well I know that you'd be here right now if I
coulda know somehow, I guess

[Chorus]
Em                 D               C                 G
Though it's been awhile now, I can still feel so much pain.
Em                 D           C                    G
Like a knife that cuts you the wound heals, but the scar, that scar
remains
Cadd9 G - Cadd9

Verse 3:
G                                       Cadd9
I know I coulda saved our love that night if I'd known what to say.
       G                   Cadd9
Instead of making love we both made our separate ways.
       G               Cadd9   G
And now I hear you've found someone new, and that I never meant that
Cadd9 much to you.
       D                  C
To hear that tears me up inside, and to see you cuts me like a knife, I
guess

[Chorus]
